RE: Kerr Cultural Center Guest Artist Appearance - November 17, 2001

Dear David,

Once again, Thank you, Thank you, Thank you, an absolutely delightful concert. Your performance at the Kerr Cultural Center on November 17, 2001 was both enjoyable and uplifting. I think it goes without saying that the audience was also most appreciative, as exhibited by their many favourable comments at the conclusion of the evening's concert.

I especially want to thank you for hosting the Coffee at Kerr on Friday morning. It had just the right balance between "performance" and "informance". Once again, I heard many appreciative comments from the audience and more than a few patrons wanted to know when you would be coming back!

It was wonderful finally getting to meet you in person. While e-mail does have many advantages, I much prefer face to face contact. It was a pleasure working with you, and I am sincerely looking forward to our next encounter. Until then, I wish you and your lovely wife the best of luck with your future endeavors, plans and journeys.

Sincerely,

A. Nanette Taylor  
Manager
